Our 6 Point Promise...

• StockPackagingSolutions

With one of the largest packaging inventories in the country (over 3,000 items, including more than 600 sizes of poly bags), we can accommodate all of your stock packaging needs. Whether your quantity demands container-direct service to your dock or same-day fulfillment from one of our warehouses, our factory-direct pricing will save you time and money.

• UnsurpassedCustomerCare

Our customers continually compliment us on the exceptional care they experience throughout our organization. We strive to develop long-term customer relationships based upon mutual trust and respect. No matter what the need, you can count on our award-winning customer service team to handle your request personally and professionally.

• ProvenExperience

An industry leader for over 40 years, International Plastics has proven to be "The Flexible Packaging Experts." With domestic and international manufacturing capabilities, we can meet virtually any stock or custom packaging requirements you have. Whether your order is large or small, simple or complex, draw on our expertise to help you meet all of your packaging needs.

Certified ISO 9001:2000
