

# Cleaners for Grime, Gum and Glue

## *Ready-to-use power to clean surfaces from the office to the shipping dock*

Chewing gum on the lobby carpet. Heel marks on the lunch room linoleum. Oil on the machining room floor. Grease on the loading dock or equipment surfaces. All of that and more, you can clean away fast and easily with a ready-to-use 3M cleaner.

**3M™ Citrus Base Cleaner** is a heavy duty degreaser/cleaner that bites in, softens, and loosens dirt, grease, oil, and adhesive overspray for easy removal. For example, spray on a greasy gear and just wipe clean with a

shop towel. That's a fistful of power in a multi-purpose formulation that gives you fast cleaning with no CFCs, methylene chloride, or 1,1,1-trichloroethane (methyl chloroform).

**3M™ SharpShooter™ Extra-Strength No-Rinse Cleaner** readily removes tough stains like heel marks, grease, and crayon from many surfaces. NSF (USDA) rated C-1.

**3M™ Gum Remover** in self-contained squeeze bottle applicator helps remove gum from carpeting easily and completely with no sticky residue.
