

3M™ Inverted Aerosol Adhesives

Best
flippin',
3M adhesives
on the market

Turning spray technology upside down for more stickin' per can

With upside down spray technology, 3M™ Inverted Aerosol Adhesives virtually eliminate traditional aerosol problems of broken spray patterns and adhesive left in the can. Whenever spraying downward is more convenient and effective, the larger comfort-designed actuator delivers a controlled spray pattern with reduced finger fatigue.

Choose from 3M™ Hi-Strength 90 Spray Adhesive, 3M™ Polystyrene Foam Insulation 78 Spray Adhesive, and 3M™ FoamFast 74 Spray Adhesive to match requirements for a wide variety of job site or in-plant applications. For example:

- 90 to hold tilt-up wood reveal strips, brackets, and form board
- 90 to seam poly
- 90 to bond rubber mats to concrete
- 90 to bond countertop HPL
- 78 to hold tilt-up foam reveal strips
- 78 to attach polystyrene insulation to concrete or wood
- 74 to secure urethane foam strips for concrete expansion joints
- 74 to bond foam to foam and fabric in cushions and mattresses

3M™ Inverted Aerosol Adhesives

3M™ Hi-Strength 90 Spray Adhesive Inverted

- Fast tacking
- High temperature resistance
- High moisture resistance
- Lace spray pattern
- Bonds combinations of many materials including concrete, wood, HPL, metal, polyethylene, and polypropylene

UPC: 00-051111-07278-3
3M ID #: 62-4942-4970-9
Quantity: 12/case

3M™ Polystyrene Foam Insulation 78 Spray Adhesive Inverted

- Does not degrade polystyrene
- Fast tacking
- Good temperature resistance
- High moisture resistance
- Lace spray pattern
- Bonds polystyrene and other insulation to themselves and other surfaces, including concrete

UPC: 00-051111-07279-0
3M ID #: 62-4951-4970-0
Quantity: 12/case

3M™ FoamFast 74 Spray Adhesive Inverted

- Fast tacking
- Soft non-dimpling glue line
- Foam-tearing strength
- Lace spray pattern
- Bonds soft foam to itself, fabric, wood, and metal

UPC: 00-051111-07277-6
3M ID #: 62-4935-4970-3
Quantity: 12/case

Our commitment to sustainability

3M has made a long-term commitment to continuously improve the environmental, health and safety impact of our products and processes. 3M™ Inverted Aerosol Adhesives provide examples of this environmental leadership with the following features:

- LEED® Compliance Credit Eligible
- California Compliant
- Does not contain ozone-depleting chlorofluorocarbons (CFCs)
- These 3M aerosol adhesives contain no methylene chloride or 1,1,1-trichloroethane (methyl chloroform)
- Please recycle

Warranty and Limited Remedy: 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER EXPRESS OR IMPLIED WARRANTIES OR CONDITIONS, INCLUDING ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. If the 3M product does not conform to this warranty, the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price.

Limitation of Liability: Except where prohibited by law, 3M will not be liable for any loss or damage arising from the 3M product, whether direct, indirect, special, incidental or consequential, regardless of the legal theory asserted.
